Delivering Clean, Healthy Solutions for Your Business!

Bringing you an inclusive line of kitchen and warewashing products to ensure sparkling ware is produced every time!

PRE-SOAK — Dishwashing Pre-Soak

Pre-Soak is a silver and stainless steel pre-soak in an easy to use liquid. Rapidly penetrates and loosens food deposits. No excessive sudsing.

Item #: 78111 (4 x 1 gal case)

POT & PAN — Dishwashing Detergent

Pot & Pan is a long lasting pot and pan detergent with tremendous soil tolerance and exceptional suds regeneration. Superior emulsification of oils and greases. Removes hardened baked-on stains and dried-on foods. Special fragrance and easy on hands.

Item #: 78109 (4 x 1 gal case) 78110 (5 gal pail)

DISH MACHINE DETERGENT — Dish Machine Det.

Dish Machine Detergent is a popular liquid dish machine detergent with exceptional destaining capability. Fast acting with moderate alkalinity.

Item #: 78101 (4 x 1 gal case) 78102 (5 gal pail)

HD DISH MACHINE DETERGENT — Heavy Duty

HD Dish Machine Detergent is an excellent performing dish machine detergent. Highly alkaline and high in pH. For use in high production operations with soft to medium water conditions. Heavy soil capabilities.

Item #: 78105 (4 x 1 gal case) 78106 (5 gal pail)

DESCALER — Dish Machine Descaler

Descaler is a safe scale remover. Concentrated and quickly penetrates.

Item #: 78100 (4 x 1 gal case)

RINSE AID — Dish Machine Rinse Aid

Rinse Aid is an innovative heavy duty drying agent concentrate producing film-free glasses. Low foaming. For use with difficult water conditions.

Item #: 78112 (4 x 1 gal case) 78113 (5 gal pail)

DRYING AGENT — Dish Machine Drying Agent

Drying Agent is an acidic rinse aid that eliminates spotting and streaking. Assures sparkling, film-free glasses. For use in hard water situations.

Item #: 78103 (4 x 1 gal case) 78104 (5 gal case)

STRIKER — Oven and Grill Cleaner

Striker offers strong alkaline detergency bolstered by a high concentration of organic solvent rendering complete soil removal. Proven choice for kitchen grease on gills, ovens, hoods and floors.

Item #: 78107 (4 x 1 gal case) 78108 (5 gal pail)

TRAP & DRAIN — Trap & Drain Enzyme Cleaner

Trap & Drain is a bacteria enzyme complex designed to keep grease lines and traps free. Eliminates offensive odors and safe on pipes and plumbing.

Item #: 78114 (4 x 1 gal case) 78115 (5 gal pail)

BONUS — Sanitizer (EPA Registered Product)

Bonus is a low temperature dish machine chlorine sanitizer, and can also be used as a three compartment sink sanitizer.

Item #: 19653 (4 x 1 gal case) 19659 (5 gal pail) 19671 (55 gal drum)

BIO-GIZE — Sanitizer (EPA Registered Product)

Bio-Gize is a one step germicidal cleaner and deodorant designed for general cleaning and disinfecting of hard, non-porous inanimate surfaces. Effective on a variety of pathogens.

Item #: 133453 (4 x 1 gal case) 133459 (5 gal pail) 133465 (15 gal drum)

Dispensing equipment available, if customer meets requirements.
