

# Puma X

3-Speed Air Mover

# Puma X 3-Speed Air Mover

Stackable for storage and easily transportable

Daisy chain up to 3 units together to quickly dry large areas

- Three speeds for a variety of drying applications from floors and walls to circulating the air.
- Built-in handle and optional transport kit includes wheels & a telescopic handle for easy transport from job to job with no carrying involved.
- Two GFCI onboard outlets enable the operator to daisy chain up to 3 units together for more drying power.
- Four positions 0°, 11°, 20°, and 90° to handle a variety of drying needs.
- Stackable for space saving storage.
- Use the swing-out kickstand to improve airflow and speed up dry time.
- Easy grip handle and cord wrap for operator convenience and safety.
- 1 year warranty on the durable roto-molded housing and on the motor for years of heavy, daily operation.

Swing-out Kickstand

Optional Transport Kit
