Together We're Better!

THE WORLD'S MOST OPTIMAL PORTABLE EXTRACTOR

TRUCK MOUNT POWER IN A PORTABLE EXTRACTOR

THE OPTIMIZER

can go where a Truck Mount can't!

ULTIMATE SOLUTIONS
Together We're Better!

POWER. CONVENIENCE. VALUE.

THE MOUSE THAT ROARS FROM SANDIA PRODUCTS!

The OPTIMIZER 12-Gallon Portable Extractor gives you the power of a Truck Mount in a portable extractor. It's class leading 6.6" vac motors are 42% more efficient, allow for more sealed suction and provide 5" more water lift than a 3-stage, 500 psi Extractor. Experience more bang for your buck and the convenience of Truck Mount power in a portable extractor.

OPTIMIZER PORTABLE EXTRACTOR

SEE THE BENEFITS

of the OPTIMIZER Portable Extractor

- Dual, two-stage 6.6" vacuum motors require less amp draw and provide optimal 205" water lift to collect spent solution and soil for the fastest carpet drying. The motors stay cooler with an innovative air intake design.
- Thermal protected, sealed motors with a patented "Eternity Brush System" provide a 3 times longer motor brush life.
- Advanced fan and chamber motor design supply a lower amp draw.
- "Easy-Fill" 12-gallon solution tank and "Quick-Dump" 12-gallon recovery tank.
- Convenient waist-high controls make operation easy with no bending or lifting.
- Non-skid, non-marking 10" wheels for easy stair climbing.
- Includes (2) 25-foot long safety power cords.
- Optional crush-resistant, 25-foot vacuum and solution hoses, "S" shaped stainless steel wand with dual spray jets and 4" stainless steel upholstery tool available.
- Lifetime warranty on roto-molded polyethylene body, 2-years on vacuum motors, 2-years on 100 psi pump, 1-year on 300 psi pump and all electrical components.
