# HARD SURFACE EXTRACTOR

by Sandia Products

Manufactured with  
Pride in the U.S.A.

- 12-Gallon solution and recovery tanks allow for quick and easy fill and dump disposal.
- Maximum power with one 2-stage and one 3-stage vacuum motor providing 170" of water lift.
- High performance motors stay cool with innovative air intake design.
- Powerful 1200 psi adjustable pump adjusts down providing the perfect pressure for cleaning everything from carpet to tile and concrete.
- The Auto Fill and Auto Dump features provide constant working pressure.
- 10" non-marking wheels for easy stair climbing.
- Roto-molded polyethylene tanks withstand the toughest working environments. Professional look with ultimate durability.
- Includes clear view in-line filter, 50-foot auto fill hose, 50-foot auto dump hose, 25-foot vacuum hose, 25-foot solution hose, 4-foot vacuum hose, 13" self priming hose and (2) 25-foot safety power cords. Wand and hard surface tools sold separately.
- An optional 5" or 15" turbo cleaning tool is available for hard surface cleaning and is built with stainless steel components.
- Lifetime warranty on roto-molded tanks, 2-years on pump and 1-year on vacuum motors and tools.
