

Radius™ 300

30 Inch, Self-Propelled Battery Sweeper With Vacuum Dust Control

Fast, effective sweeping performance on hard floor or carpet

The Radius 300 provides the versatility to clean anywhere - carpet or hard floors, indoors or out. Nimble enough to clean congested areas, but built to perform day in and day out in the toughest commercial applications.

- **High Productivity**

- » Cleans effectively indoors and out for increased versatility
- » Self-propelled, 30 inch cleaning path for increased productivity
- » Easy to understand controls increase operator effectiveness
- » Overthrow sweeping system with an easily removed hopper make emptying quick and efficient

- **Improved Air quality**

- » Active dust control system provides better air quality
- » Air is vacuumed through a high-efficiency automotive style filter
- » Manual filter shaker for easy cleaning and consistent performance
- » Wet-sweep bypass for cleaning wet surfaces

Performance Features
