

Radius™ 360

36 inch ride-on sweeper with dust control

High productivity sweeper built for tough environments.

• Productivity & Maneuverability

- » 36-inch cleaning path for fast, efficient sweeping
- » Highly maneuverable for effective sweeping in congested areas
- » Commanding view of the work area for increased productivity & safety
- » Cleans all kinds of surfaces, from the roughest industrial flooring to carpet

• Comfortable And Easy To Use

- » Ergonomic, adjustable seat for operator comfort
- » Easy-to-understand controls
- » Change main broom and filter without tools
- » Large, heavy-duty pneumatic rear tires improve ride comfort

• Improved Air Quality

- » Vacuum dust control
- » Large 43 ft² cylindrical filter area for increased filter efficiency
- » Automatic shaker cleans filter for consistent performance
