

# Radius™ Manual

Manual Sweeper

Superior sweeping performance in a compact manual push sweeper

- » Fast and efficient, push sweepers are an easy way to clean paths, halls, sidewalks and warehouses quickly and conveniently.
- » Main roller brush is driven by both wheels so that it sweeps equally well in either left or right turns.
- » Features a very rugged metal pinion drive for long life.
- » Height of roller brush can be easily adjusted in 5 stages by a knob on the handle.
- » Ergonomic, easily adjustable handle for operator comfort.

Model Number.:	1.517-104.0
Drive:	Manual
Performance:	18,480 ft <sup>2</sup> /hr. (2800 m <sup>2</sup> /hr)
Noise Level:	69 dBA
Cleaning Path:	28" (480 mm)
Hopper Capacity:	11 gal (42 L)
Weight:	50.7 lbs (23 kg)
Dimensions (L x W x H)	51.2" x 30.14" x 40.7" (1300 mm x 765 mm x 1035 mm)
Standard Tools:	Fold-down push handle
Warranty:	Windsor 10/3/3 Protection Plan. See full warranty for details.

Specifications are subject to change without notice.

## Performance Features

Push handle can be adjusted in three positions to suit the operator and can be folded completely flat for space-saving storage.

Side brush arm is swivel mounted and can be disengaged. Adjusts by turning knob.

The main brush sweeps the dirt forward into the container. The advantages are: reduced physical effort; easy to handle; less dust is generated; greater use of main broom.

## Target Markets:

- Schools
- Hotels
- Agriculture
- Showrooms
- Gas Stations
- Warehouses
