Orange Power, Eco-Safe

VOC Compliant Aerosol Solvent Degreaser

This fast-evaporating non-residual solvent degreaser meets VOC requirements in all 50 states.

Benefits:

- Fast-evaporating, non-residual
- Convenient, ready-to-use aerosol
- Meets VOC requirements in all states

Applications:

- Automotive repair shops
- Electric services
- Electronic computing equipment
- Heating & A/C services
- Textiles
- Construction companies
- Electrical contractors
- Fabricated metal shops
- Manufacturing plants

Directions for Use:

Hold can upright, directed away from face. Spray onto surface to be degreased. Allow sufficient contact time for penetration and loosening of soil. After using, product may be allowed to air dry, or drying may be accelerated by blowing off with compressed air in a well-ventilated area.

Base Code: R202

Companion Products:

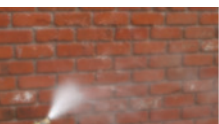

Base Code

- Z-Works Graphite Lubricant.....R218
- Z-Works Open Gear Lubricant.....R225
- Heavy-Duty Aerosol Soy Degreaser.....R195
