ADVANTAGE+ Dispenser System

Multi-Purpose Peroxide-Based Cleaner

Zep Professional Advantage+ Multi-Purpose Peroxide-Based Cleaner is a Green Seal™ certified formulation designed to remove light to moderate soils from stainless steel, floors and other surfaces. It leaves a pleasant fragrance behind. It is specifically designed to be dispensed through Zep Professional Advantage+ Dispenser System™.

Benefits:

- Green Seal™ Certified - This product meets the Green Seal Standard for industrial and institutional cleaners, GS-37.
- Effective • Versatile
- Fine for most hard surfaces
- Deodorizing
- Advantage+ Dispenser (accurate chemical cost management)

Applications:

- Stainless Steel
- Floors
- Tile & Grout

Directions for Use:

Dilute product with cold water via automated dispenser. Apply cleaning solution to the surface to be cleaned. Scrub as needed with sponge, brush, mop or cloth and air dry. Packaging delivers an economical dilution of 1:256 through the Advantage+ Dispenser System. Improper use or dilution may result in a decrease in product performance, and may increase the risk of health effects.

Product dilution tip is included in bottle. Screw connector from dispenser onto bottle and dispense for use into secondary spray bottle container for use. See label for specific product application, reference the supplied Advantage+ Dispenser System manual for installation and maintenance procedures.

Container Disposal: Triple rinse container and recycle. Dispose of any excess product in accordance with Federal, state and local regulations.

Secondary Label: 1046117
