## Multi-Purpose Degreaser

Zep Professional Advantage+ Multi-Purpose Degreaser is a Green Seal™ certified alkaline degreaser designed to clean different surfaces such as composite floors, terrazzo, stainless steel, equipment, mirror and glass without leaving any residue behind. Effectively removes soils from concrete and walls in restaurants and supermarkets. It is specifically designed to be dispensed through Zep Professional Advantage+ Dispenser System™.

### Benefits:

- Green Seal™ Certified - This product meets the Green Seal Standard for industrial and institutional cleaners, GS-37.
- Effective • Versatile
- Cleaner and Degreaser
- Deodorizing
- Advantage+ Dispenser (accurate chemical cost management)

### Applications:

- Composite Floors
- Terrazzo Floors
- Stainless Steel
- Equipment
- Mirrors
- Glass
- Woodwork

### Directions for Use:

Dilute product with cold water via automated dispenser. Apply the cleaning solution on the surface to be cleaned. Scrub as needed with sponge, brush, mop or cloth and rinse thoroughly. Packaging delivers an economical dilution of 1:32 through the Advantage+ Dispenser System. Improper use or dilution may result in a decrease in product performance, and may increase the risk of health effects.

Product dilution tip is included in bottle. Screw connector from dispenser onto bottle and dispense for use into secondary spray bottle container for use. See label for specific product application, reference the supplied Advantage+ Dispenser System manual for installation and maintenance procedures.

**Container Disposal:** Triple rinse container and recycle. Dispose of any excess product in accordance with Federal, state and local regulations.

Secondary Label: 1046119

**Base Code: R358**
